

BOARD OF PUBLIC WORKS MEETING OF NOVEMBER 25, 1952.

The Board of Public Works met in the office of the Governor, Mathieson Building, Baltimore, Maryland, on Tuesday, November 25, 1952.

There were present:

Theodore R. McKeldin, Governor  
J. Millard Tawes, Comptroller  
Hooper S. Miles, Treasurer.

CHRONIC DISEASE HOSPITALS:

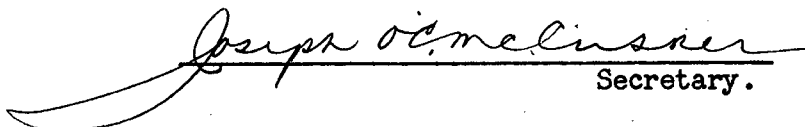

The Board of Public Works held a special meeting for the purpose of discussing the matter of a site for the new Chronic Disease Hospital to be built in Washington County.

Dr. R. H. Riley, Director of the State Department of Health, together with other members of the State Board of Health, appeared before the Board, as did Mr. Francis H. Urner, attorney, who spoke for Senator D. Kenneth McLaughlin, who was unable to be present because of illness. The matter of the two sites under consideration was fully discussed.

It was finally agreed, unanimously, by the members of the Board of Public Works that the site which was selected in November, 1944 by the Board of Public Works at that time, and a deed for which was executed by the County Commissioners for Washington County, conveying to the State of Maryland the property which was originally a part of "Settled in Time", and which is more commonly known as the "Bellevue Site", and has heretofore been used by Washington County as an Almshouse, should be the location for the construction of the new Chronic Disease Hospital in Western Maryland.

ADJOURNMENT:

There being no further business, the meeting was adjourned.

  
Secretary.
